We are committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. Our reputation as a quality supplier and the trust of our customers is of paramount importance to us.

We are committed to acting ethically and with integrity in all our business relationships and as such have in place effective systems and controls to ensure slavery and trafficking is not taking place anywhere within our organisation.

We further require that our supply chain partners adhere to the requirements of the Modern Slavery Act 2015.
